

Japan Society for the Promotion of Science (JSPS) Postdoctoral Fellowship Programme for Overseas Researchers 2020

Scheme Notes

1. Context

The Japan Society for the Promotion of Science (JSPS) Postdoctoral Fellowship Programme for Overseas Researchers provides opportunities for early career postdoctoral researchers from other countries to conduct, under the guidance of their hosts, cooperative research with leading research groups in universities and other Japanese institutions. The programme aims to help such researchers advance their own research while contributing to the progress of research in Japan and the counterpart countries.

The British Academy acts as intermediary to this scheme, which is funded entirely by the JSPS. In its capacity as overseas nominating authority, the British Academy will nominate candidates to JSPS for Fellowships available in 2020-21. The scheme is intended to support research in all fields of the humanities and social sciences. Further information about the scheme can be found on the [JSPS website](#).

2. Eligibility

Each candidate for the Fellowship must:

- be ordinarily resident in the United Kingdom, the Isle of Man, or the Channel Islands;
- hold a doctorate degree when the Fellowship goes into effect, which must have been received on or after 2 April 2014, or be scheduled to receive a doctorate degree before the Fellowship goes into effect;
- have arranged in advance a research plan with a Japanese host researcher employed at a Japanese university / research institution; and
- submit applications in time for them to be considered before the research is due to begin – awards will not be made retrospectively.

Please note the following candidates are **not** eligible to apply:

- Those who have previously been awarded a fellowship under the JSPS Postdoctoral Fellowship for Research in Japan ([Standard(P)] and [Pathway to University positions in Japan (PU)]).
- Japanese nationals nor those of dual nationality if one is Japanese.
- Those who have permanent residency in Japan.
- Medical doctors without a PhD degree.

3. Terms of Award

JSPS will provide each Fellow with the following support (subject to change):

- A round-trip air ticket for the Fellow (based on JSPS's regulations);

- A monthly maintenance allowance of ¥362,000;
- A settling-in allowance of ¥200,000 and overseas travel insurance for the Fellow.
- A research grant ("Grant-in-Aid for Scientific Research") for cooperative research-related expenses, applied for by the Japanese host researcher through his / her host institution

Candidates residing in Japan before the fellowship starts, or who have had residency status in Japan, on or after the awarding of the Fellowship, will **not** be provided with the following support:

- A round-trip air ticket for the Fellow.
- A settling-in allowance of ¥200,000 yen.

Please note that JSPS does not support any research projects related to military affairs.

4. Award Duration

Awards can be held over a period of no less than 12 months and no more than 24 months.

Successful awards must start on or after 1 April 2020 and no later than 30 November 2020. Please note there will only be one call for applications per year.

5. Prospective Hosts in Japan

The applicant's prospective host researcher in Japan must be employed full-time or classified as being employed full-time (excluding Jokyo Assistant Professors, and Joshu Research Assistants) at a university or research institution eligible to apply to MEXT for funding under the "Grants-in-Aid for Scientific Research Programme" (Kakenhi) and approved by JSPS as an appropriate institution for hosting young overseas researchers. A list of host institutions is available on the [JSPS website](#).

Candidates must have arranged in advance a research plan for their stay in Japan with their prospective host researcher.

6. Closing Dates and Timing

Application Deadline, Reference/Head of Department (HoD) Statement Deadline and current UK Institution Application Approval Deadline (N.B. The UK Institution Application Approval Deadline is not applicable for Independent Scholars):
17.00 (UK time) on Wednesday, 18 December 2019.

Applicants are advised to contact international@thebritishacademy.ac.uk for further information, and detailed advice on timing and quota availability.

7. References / Head of Department (HoD) Statements / PhD Documents Upload

All applications for this scheme shall be considered in the light of referees' and HoDs' comments. No application will be considered without the required number of references and HoD statements, which must be received by **17.00 (UK time) on Wednesday, 18 December 2019**. Required are:

- one reference, signed and on headed paper, from the applicant's current or previous supervisor ("Referee"; add their name to the Contributors tab in Flexi-Grant); and
- one statement of support, signed and on headed paper, from the applicant's host researcher in Japan ("HoD"; add their name to the Contributors tab in Flexi-Grant). The letter should be signed by the host himself / herself.

It is also required that candidates submit a copy of their PhD degree certificate. If the degree has not yet been awarded, a letter is required from the candidate's institution stating the date that s/he will officially receive the degree. The letter should be signed and on headed paper. In this event, the candidate will be required to submit to JSPS a copy of the degree certificate promptly before starting his/her fellowship. The certificate should be signed or stamped with an official seal.

Completion of the Contributors tab:

- To add a referee/HoD click on the "Contributors" tab on the summary page, enter their name, email address and an optional personalised message then click the "send invitation" button.

It is vital that you enter the correct email address for your referee/HoD as emails are sent automatically from Flexi-Grant to these individuals at the email addresses supplied on the "Contributors" tab with login details, and instructions for viewing the application and supplying the statement through Flexi-Grant.

It is the responsibility of the applicants to:

- contact referees/HoDs outside of the Flexi-Grant system to ensure that they have received details of their Flexi-Grant login and instructions for supplying their statements through Flexi-Grant;
- ensure that references/HoD statements/copies of PhD certificates or confirmation letters are supplied through Flexi-Grant by the deadline;
- keep track of the progress of references/HoD statements by viewing your Application Summary, accessed by clicking on My Applications;
- remember that applications without a complete set of references/HoD statements/copies of PhD certificates or confirmation letters will not be eligible for consideration.

8. Submission of Application

Once you have submitted your application for approval by your current UK institution, automatic emails will be sent to your current UK institutional approver asking them to log on to the system. You will not be able to edit your application after it has been submitted to your UK institution for approval. The UK institutional approver will either: approve and submit your application, "send back" your application and contact you to request modifications (please note that modifications cannot be made after the application deadline of **18 December, 17.00 UK time**, therefore you should liaise with your institutional approver to make any changes well in advance of this deadline), or decline your application and contact you.

Please be aware that it is your responsibility to ensure that you complete your application in time for your UK institution to process it (including requesting changes) and provide their approval by the closing date. **It is recommended that you allow at least five working days for this process.**

If your UK institution's approver requests modifications through the Flexi-Grant email facility, they can unlock your application, allowing you to edit it. They can do this by selecting "send back". An automatic e-mail will be sent to you alerting you of this fact. Once you have completed and saved the requested changes, please re-submit your application for approval by your current UK institution (again, this must be done by the deadline of **18 December, 17.00 UK time**).

Once your current UK institution has approved your application and submitted it to the British Academy, it will not be possible to make any changes.

Please note that once the closing date has passed, UK institutional approvers cannot approve applications and submit them to the British Academy, and unapproved applications are removed from consideration. No late applications will be accepted.

It is recommended that you check that your application is submitted in time. To see the details of the approver and to check the status of your application, you should log into Flexi-Grant and view your application by clicking on My Applications.

9. Assessment Criteria

Assessors will evaluate the proposal on the basis of its academic merit, taking into account its originality, its relationship to, and the volume of, research already in the field, the scholarly importance of the research proposed, the suitability of the methodology, the feasibility of the research programme, the specificity of the scheme of research, the presentation, and intended outcomes. Assessors will evaluate the ability of the investigator(s) to undertake the proposed research, taking into account their track record in terms of publication, their academic age and stage of career. Backlogs of publication (including any reasons given by applicants) may be taken into account in assessing the current proposal.

The primary assessment of quality will be based on the specific research objective of the proposal, and whether the methodology and research programme outlined are likely to lead to the successful achievement of the objective.

Assessors may take into account evidence of language competence where the understanding of material in a foreign language is crucial to the achievement of the research objective.

Comparative judgments about value for money may be taken into account at the final stage of assessment.

10. Code of Practice

The Academy has adopted a Code of Practice for assessing research applications, setting out the principles of equity, integrity and confidentiality governing the treatment of all applications for research support. Information regarding Data Protection, the Ethics Policy and the Appeals Procedure are to be found in the [Code of Practice](#).

With regard to Data Protection, please note that in submitting an application to this scheme applicants are consenting to the sharing of the data provided in their application with JSPS for the purpose of enabling JSPS to make a decision on whether or not an award should be offered. The British Academy acts as a nominating authority for this scheme and the final decision on awards rests with JSPS.

Feedback is not a feature of this programme, and the Academy is, regretfully, unable to enter into correspondence regarding the decisions of the awarding committee, which are governed by the Code of Practice. Submission of the application form constitutes the applicant's agreement to all terms, conditions and notices contained in the Notes for Applicants.

11. Contact Details

Should you have any further questions, please contact:

international@thebritishacademy.ac.uk

Telephone: +44 (0)20 7969 5220

12. Application Information

Applications can only be submitted online using the British Academy's online Flexi-Grant® Grant Management System (GMS) system via (<https://britishacademy.flexigrant.com/>). Further information about the GMS can be found here: <http://www.britac.ac.uk/flexi-grant>. If you have not previously used the British Academy's Flexi-Grant® GMS, please follow the registration process from the Flexi-Grant® homepage. Applications cannot be submitted on paper or in any other format. *The deadline for applications to be submitted (to include the receipt of all referee and HoD references) is 17.00 UK time Wednesday 18 December 2019.* The application will be treated as confidential at all times.

When completing your application on Flexi-Grant®, it is recommended that you take particular note of the following points:

- **Personal details:** When registered in the British Academy Flexi-Grant® system, a user has the option to add or update personal information such as contact details, log-in details (including email address and password), interests, research, and employment details, at any time. **This does not form part of the specific application form for any individual scheme**, but represents a personal record of your account in the system. It is useful if this information is kept up to date, but it is not essential to the progress of an application.
- **Automatic log-out:** You are strongly advised to save your work regularly to prevent accidental loss of information. In particular you should be aware that if the system does not detect any activity for 2 hours it will log out and save the application at that time. Please note that moving between *pages* within an application form will save the page that you are exiting but completing a *field* on a page is not considered an activity. It is recommended that you write the text for longer sections/fields in a word processor such as Word and then copy and paste into the relevant text box to avoid being timed out in this way.
- **Multiple sessions:** You should not have multiple browser windows/tabs of your application open at the same time as this may cause information to be lost. Only one user should edit an application at a time, otherwise changes might be lost.
- **Word limits:** When completing boxes that have a restricted length (note that it refers to words) you should note that if you exceed the specified amount you will not be able to save when you press the save button. You should type the text for the longer-length boxes in a word processor. You will then be able to check the word count and paste it into the British Academy Flexi-Grant® system. You will then still have a copy of the text to return to in the word processor. The word limit applies to text boxes.
- **Plain text:** If entering plain text, please avoid using symbols as some may not be accepted by the British Academy Flexi-Grant® system. You should generate and view a PDF of your application to check that the application appears as you want it to by clicking on 'print form'.
- **Uploading PDF documents:** When uploading PDF documents, please add your name and a heading at the top of every page to show what the document is. Please avoid uploading documents containing illustrations with fine details or colour as this can cause problems when creating a PDF of the application. Please note we will only print your applications in black and white. Each PDF cannot exceed 3 Mb in size.
- **Email addresses:** The British Academy Flexi-Grant® system relies heavily on automatic email contact. It is essential that you ensure you enter accurate email addresses where requested as it may cause considerable delay in the submission/processing of your

application if any of these are incorrect. You cannot make changes to email addresses after your application has been submitted for approval.

- **Submission:** You will not be able to submit your application until you have completed each section in full. *It is your responsibility to ensure that your application is submitted in good time, and in sufficient time, for it to be approved by your employing institution.* You should submit your application for approval by a designated approver at your host organisation at least 5 working days before the closing date to allow for your host organisation's administrative procedures.
- **Application sharing:** All applications must be started by the applicant who is to be the **Principal Investigator (PI) on the award.** You can invite other contributors to join the application (e.g. Co-Applicant, Nominated Referee, Head of Department, Finance Office contact etc.), but in order to do so your contributor will need to be registered in the British Academy's Flexi-Grant® system first. You will need to ensure you have their registered email address to invite them to participate in your application. You can let other British Academy Flexi-Grant® users view your draft application, in advance of submission, by providing their email address and entering the permissions you want them to have. They will be able to log in using their existing password and also see and, depending on permissions, amend your application.
- **Application deletion:** You can delete your application at any time although it is often a lot easier to just re-edit your existing application. We will be able to recover a deleted application for a period of 7 days after deletion. After this it will be permanently removed from the system.
- **Application returned for editing:** The approver can return your application to you for further editing. See 'Submission of Application' below.
- **Guidance:** In the tables below you will find in the left-hand each question as set out in the application sections and in the right-hand column useful guidance on its completion.
- **Further clarification:** If any of this advice is unclear, or you need further information, please do not hesitate to seek clarification from the British Academy's International Team (contact details at the end of these notes).

PLEASE NOTE THAT IT IS ESSENTIAL THAT YOU CREATE A PDF OF YOUR COMPLETED APPLICATION (by clicking 'Download as PDF'), AND CHECK IT THOROUGHLY, INCLUDING EMAIL ADDRESSES AND UPLOADED PDF FILES, BEFORE SUBMITTING IT FOR APPROVAL BY YOUR HOST ORGANISATION. IT MAY NOT BE POSSIBLE TO RECTIFY MISTAKES IN TIME FOR THE DEADLINE.

WORD LIMITS APPLY TO PLAIN TEXT ONLY. PAGE LIMITS APPLY TO PDFs ONLY.

ALL FIELDS MARKED WITH AN ASTERISK* ARE MANDATORY

YOU SHOULD NOT HAVE MULTIPLE BROWSER WINDOWS/TABS OF YOUR APPLICATION OPEN AT THE SAME TIME AS THIS MAY CAUSE INFORMATION TO BE LOST. ONLY ONE USER SHOULD EDIT AN APPLICATION AT A TIME, OTHERWISE CHANGES MIGHT BE LOST.
