The meeting at which these papers were presented was organised under the auspices of the Academy of Medical Sciences and the British Academy, and supported by grants from the Wenner-Gren Foundation and the Wellcome Trust. It was planned by a committee of Tim Crow, John Maddox, Paul Mellars and Chris Stringer, with the help of Rosemary Lambert of the British Academy and Greg Bock of the Novartis Foundation. Sessions at the 2-day meeting were chaired by C. Blakemore, J.R. Hurford, P.J. Lachmann, J. Maddox, S. Mithen and L. Wolpert. The proceedings and discussion were recorded and transcribed by Lynn De Lisi assisted by Carole Walton. Scripts were edited by Eva Fairnell and publication was arranged by James Rivington of the British Academy.
