

# Call for Proposals: British Academy International Writing Workshops 2022

## Scheme Notes for Applicants

2022 Competition

**PLEASE READ THESE SCHEME NOTES  
CAREFULLY:**

**INCORRECTLY SUBMITTED APPLICATIONS  
WILL BE CONSIDERED INELIGIBLE**

Applications should be submitted well in advance of the deadline (Wednesday 9 November 2022, 17.00 UK time). We recommend at least five days prior to allow for institutional approval.

## Purpose

1. The British Academy is inviting proposals seeking to deliver one or more writing workshops.
2. These awards are aimed at early career researchers in developing countries, working to stimulate professional networks, develop research partnerships, encourage skills development, provide advice on career development and promote the uptake of research emanating from developing countries. If research taking place in developing countries is to be strengthened, then the researchers themselves need to be better connected to each other as well as to the rest of the world. It is expected that journal editors and other scholars will work intensively to support the workshop participants to produce papers in preparation for publication.
3. Awards are expected to involve significant time devoted to mentorship between early career researchers from developing countries, other academics and journal editors, although the Academy does not have a preferred model for how this is to be achieved. Applicants could note that successful workshops in the past have required participants to submit draft articles in advance of the workshop in order to provide a strong basis for the training and mentorship, maximising the opportunity for engagement with journal editors and other scholars. Another successful model in the past – though it is recognised that it is not always either feasible or desirable – has been to link writing workshops to a larger event or conference, an approach which has allowed participants to engage in opportunities they may not otherwise have had access to, and potentially augmenting the impact of the workshop on the careers of participants.
4. The Academy does believe it is critical that writing workshop awards consider the pre-workshop preparation, the workshop(s) themselves, and follow-on and follow-up after the workshop(s) has taken place.
5. There is no set duration for writing workshops, but the Academy notes that those workshops where time is primarily allocated to sessions that allow early career researchers, other academics and journal editors to work together over two or three days have worked successfully in the past and have supported the development of sustained mentorship beyond the duration of the award itself.
6. **The workshops should not be designed as a writing retreat, but a hands-on programme of training, skills development and mentoring including preparing work by early career researchers for publication, and to equip them with the skills and understanding to facilitate publication in academic journals and prepare grant applications.**
7. **Writing workshops are training, skills development and mentoring workshops – the organisers' research should not form a part of the programme for a workshop. Applications that are submitted that do not adhere to this will not be supported.**

## Deliverables

8. The primary intended deliverable is to encourage and support early career researchers in developing countries to publish in high impact journals in the fields of the humanities and social sciences. Considerable emphasis is placed on the crucial early stages of an academic research career: the future of humanities and social sciences research – and research in general – lies in ensuring that new and emerging researchers are equipped with the skills and knowledge to develop bold agendas and to lead research and their institutions forward. This

builds on a series of reports the Academy has supported with the Association of Commonwealth Universities, known as the [Nairobi Process](#).

9. Applicants are encouraged to consider submitting a proposal for a special issue of the open access Journal of the British Academy following the workshops.
10. The workshops must include at least one session providing advice on the drafting of grant applications. The Academy will also provide a presentation on grant opportunities that are currently available.
11. The workshops should enable early career researchers based in developing countries to build scholarly networks and connections with academics and journal editors in the UK and elsewhere. This will be measured through participant feedback and post-event reports collected by the applicant.
12. The Academy notes that a writing workshop award should be seen as much more than simply a 'writing workshop'. The awards, in effect, are making a career intervention, creating networks, developing soft skills, setting aside dedicated time for research, instilling and aiming to change long-term academic culture, and engaging with the wider ecosystem researchers inhabit.
13. All applicants must ensure that structural inequalities are considered and addressed within the proposed application. Structural inequalities include those based on gender, age, disability, ethnicity, race, religion and spatial factors. Applicants should make a genuine effort to integrate adequate analysis of gender and other structural inequalities in their application design. This should go beyond beneficiaries, for example recognising the assumptions and implications of education and learning programming on mothers, fathers and the female workforce.

### **Eligibility**

14. The lead applicant must be based at a UK university or eligible research institute, and be of postdoctoral or above status (or have equivalent research experience). The lead applicant must either be in a permanent position at the institution or have a fixed-term position for the duration of the award. The lead applicant must provide a CV of no more than two pages. Any CVs submitted that are over two pages in length will render the application ineligible.
15. Each application must have at least one Co-Applicant based in an [ODA eligible country](#).
16. An individual cannot be the PI on more than one bid for funding from this programme. No individual may be a Co-Applicant on more than two projects (nor may a PI be additionally a Co-Applicant on more than one other project).
17. Future applications for funding will not be considered unless a satisfactory report and statement of expenditure for the previous award have been submitted.
18. Applications under this call will not be accepted if the PI or Co-Applicants have any outstanding reports or statements of expenditure which are still to be submitted to the Academy following previous Writing Workshop awards.

### **Value of Awards and Eligible Costs**

19. The value of the award is set at a maximum of £30,000. Funding must be used in the direct delivery of the workshops, and can cover travel and related expenses, subsistence costs, clerical

assistance and consumables, childcare support (including for participants), and networking, meeting and/or conference costs.

20. In a change to previous rounds, it will be considered an eligible cost to support the contribution of non-UK based Co-Applicants who are directly involved in helping to organise the workshop(s) in country. This is not the case for UK-based and non-local organisers.
21. In a change to previous rounds, the award length has been increased from one year to two years. This is to enable and acknowledge the significant follow-on and follow-up activities that a successful writing workshop award will need to undertake.
22. Awards will be paid in full on acceptance of the award from March 2023. Payment will be made to the UK institution where the PI is based.

### **Risk Management**

23. The Academy expects applicants funded under this programme to highlight and manage any risks related to the award. We expect an assessment of any risks entailed within the workshop(s) to be outlined in the proposal (for example, risks associated with the delivery of the workshop(s), financial management, and oversight/governance).
24. Depending on the country/region concerned if the workshop is proposed to take place physically, there is a risk that the workshops will be in an area of civil unrest, violence/crime. Applicants will be required to indicate if (and where) they intend to undertake workshops in such areas. For countries/regions considered by the UK Government's Foreign, Commonwealth & Development Office as a host nation of medium or high risk, applicants will also be required to demonstrate that the PI (and the PI's host institution) understand the risk management implications and can monitor and manage the risks effectively. This should include, but not be limited to, any risks that researchers will encounter in an area of civil unrest, violence and/or crime.
25. Risk management will be explicitly covered in the approval of any application by the appropriate authorities at the PI's host institution, to confirm that the duty of care responsibility rests with the host institution.

### **Equitable Partnerships**

26. UKRI has developed the following statement of expectation for research partnerships in consultation with researchers from East Africa. "Partnerships should be transparent and based on mutual respect. Partnerships should aim to have clearly articulated equitable distribution of resources, responsibilities, efforts and benefits. Partnerships should recognise different inputs, different interests and different desired outcomes and should ensure the ethical sharing and use of data which is responsive to the identified needs of society." The Academy expects all applications under this call (and any successful awards) to be made with due regard for equitable partnerships.

### **Gender Equality**

27. The British Academy is committed to supporting gender equality in the funding it provides in accordance with this statement from the Department for Business, Energy & Industrial Strategy's publication on *Gender Equality in Research and Innovation Official Development Assistance (ODA)* published in May 2021: "Official Development Assistance provided by Delivery Partners complies with the requirements of the International Development (Gender

Equality) Act 2014 which states, the ‘desirability of providing development assistance that is likely to contribute to reducing poverty in a way which is likely to contribute to reducing inequalities between persons of different gender’.”

28. All applications are strongly recommended to thoroughly review the above publication and this additional guidance [[https://www.thebritishacademy.ac.uk/documents/4229/Gender\\_Equality\\_Statement\\_GES - Guidance for Applicants 1.pdf](https://www.thebritishacademy.ac.uk/documents/4229/Gender_Equality_Statement_GES_-_Guidance_for_Applicants_1.pdf)] before designing and drafting their application.
29. All applicants must submit as part of their application a gender equality statement, which must meet compliance standards as set out in the above publication. All applications will be reviewed at the eligibility and assessment stages to ensure they meet the necessary requirements. Not meeting the necessary requirements will mean that applications are automatically not fundable.

### **ODA Eligibility**

30. This call will fund only ODA-eligible projects. Only research that has a primary objective which is directly and primarily relevant to the problems of developing countries may be counted as ODA. The Academy requires applicants to demonstrate that the proposal is ODA eligible. ODA eligibility is an essential criterion – projects will only be deemed eligible for funding if they can demonstrate that they satisfy ODA eligibility criteria.
31. The British Academy, with other delivery partners, have provided an additional ODA guidance document for applicants.
32. All proposed workshops must take place in ODA eligible countries. For the purpose of this call, workshops may **not** take place in India or China, nor may participants of the workshops be Indian-based or Chinese-based early career researchers.

### **Reporting**

33. Successful applicants will be required to provide the Academy with a post-event report within three months of the end date of the workshop. The report should include:
- A brief description of the activities undertaken during the workshop(s), those who attended and their institutional affiliations, and a summary of lessons learnt;
  - How these activities achieved the workshops’ aims and objectives and what outcomes and impact the workshop(s) had;
  - An analysis of the participant feedback collected at the workshops;
  - A final statement of expenditure.
34. In addition, award holders will be contacted following the close of their award to report on the activities that participants have undertaken following the workshops and award.
35. Any underspend will be required to be refunded to the British Academy.

### **Application and Assessment Procedures**

36. Applications will be assessed according to the following criteria:
- The quality and significance of the proposal, in particular in relation to making a significant advance in the career development of early career researchers in developing countries;

- b. The feasibility of the proposal in terms of the structure and planning of the workshop and support from local partners and journals, and appropriate timing and plan of action, including the past track record of the applicant;
  - c. Evidence that the workshop is ODA eligible. Only projects that demonstrate that they satisfy ODA eligibility criteria will be eligible for funding;
  - d. Whether the gender equality statement meets or exceeds the minimum standard as set out in *Gender Equality in Research and Innovation Official Development Assistance (ODA)* and the additional guidance [[https://www.thebritishacademy.ac.uk/documents/4229/Gender\\_Equality\\_Statement\\_GES\\_-\\_Guidance\\_for\\_Applicants\\_1.pdf](https://www.thebritishacademy.ac.uk/documents/4229/Gender_Equality_Statement_GES_-_Guidance_for_Applicants_1.pdf)];
  - e. Value for money.
37. All applicants must register in the British Academy's online Flexi-Grant Grant Management System to enable the processing and assessment of their application. All applications must be submitted in English.
38. All applications will be subject to an eligibility check undertaken by appropriate British Academy staff before being put forward for assessment, and applications that are not completed correctly and on time will not be considered.
39. Applicants will not be able to submit their application on Flexi-Grant until they have completed each section in full. **It is the applicant's responsibility to ensure that their application is submitted in good and sufficient time for it to be approved by the PI's employing institution.** Applicants should submit their application for approval by a designated approver at the host organisation **at least 5 working days before the closing date** to allow for the host organisation's administrative procedures.
40. Proposals must be completed, submitted and approved by **9 November 2022, 17.00 UK time.**

### Code of Practice

41. The British Academy has a [Code of Practice](#), setting out the principles of equity, integrity and confidentiality governing the treatment of all applications for funding. The Code of Practice also covers Data Protection, the British Academy's ethics policy and the appeals procedure.
42. Feedback is not a feature of the British Academy's Writing Workshops Programme and the Academy is, regretfully, unable to enter into correspondence regarding the decisions of the awarding committee, which are governed by the Code of Practice. Please note that by applying to this programme, applicants undertake to accept the terms under which applications are assessed.

## Application Information

Applications can only be submitted online using the British Academy's online Flexi-Grant® Grant Management System (GMS) system via (<https://britishacademy.flexigrant.com/>). Further information about the GMS can be found here: <http://www.britac.ac.uk/flexi-grant>. If you have not previously used the British Academy's Flexi-Grant® GMS, please follow the registration process from the Flexi-Grant® homepage. Applications cannot be submitted on paper or in any other format. *The deadline for applications to be submitted is **Wednesday 9 November 2022***. The application will always be treated as confidential.

**When completing your application on Flexi-Grant®, it is recommended that you take particular note of the following points:**

- **Personal details:** When registered in the British Academy Flexi-Grant® system, a user has the option to add or update personal information such as contact details, log-in details (including email address and password), interests, research, and employment details, at any time. **This does not form part of the specific application form for any individual scheme**, but represents a personal record of your account in the system. It is useful if this information is kept up to date, but it is not essential to the progress of an application.
- **Automatic log-out:** You are strongly advised to save your work regularly to prevent accidental loss of information. In particular you should be aware that if the system does not detect any activity for 2 hours it will log out and save the application at that time. Please note that moving between *pages* within an application form will save the page that you are exiting but completing a *field* on a page is not considered an activity. It is recommended that you write the text for longer sections/fields in a word processor such as Word and then copy and paste into the relevant text box to avoid being timed out in this way.
- **Multiple sessions:** You should not have multiple browser windows/tabs of your application open at the same time as this may cause information to be lost. Only one user should edit an application at a time, otherwise changes might be lost.
- **Word limits:** When completing boxes that have a restricted length (note that it refers to words) you should note that if you exceed the specified amount you will not be able to save when you press the save button. You should type the text for the longer-length boxes in a word processor. You will then be able to check the word count and paste it into the British Academy Flexi-Grant® system. You will then still have a copy of the text to return to in the word processor. The word limit applies to text boxes.
- **Plain text:** If entering plain text, please avoid using symbols as some may not be accepted by the British Academy Flexi-Grant® system. You should generate and view a PDF of your application to check that the application appears as you want it to by clicking on 'print form'.
- **Uploading PDF documents:** When uploading PDF documents, please add your name and a heading at the top of every page to show what the document is. Please avoid uploading documents containing illustrations with fine details or colour as this can cause problems when creating a PDF of the application. Please note we will only print your applications in black and white. Each PDF cannot exceed 3 Mb in size.

- **Email addresses:** The British Academy Flexi-Grant® system relies heavily on automatic email contact. It is essential that you ensure you enter accurate email addresses where requested as it may cause considerable delay in the submission/processing of your application if any of these are incorrect. You cannot make changes to email addresses after your application has been submitted for approval.
- **Submission:** You will not be able to submit your application until you have completed each section in full. **It is your responsibility to ensure that your application is submitted in good time, and in sufficient time, for it to be approved by your employing institution.** You should submit your application for approval by a designated approver at your host organisation **at least 5 working days before the closing date** to allow for your host organisation's administrative procedures.
- **Application sharing: All applications must be started by the applicant who is to be the Principal Investigator (PI) on the award.** You can invite other contributors to join the application (e.g. Co-Applicant, Finance Office contact etc.), but in order to do so your contributor will need to be registered in the British Academy's Flexi-Grant® system first. You will need to ensure you have their registered email address to invite them to participate in your application. You can let other British Academy Flexi-Grant® users view your draft application, in advance of submission, by providing their email address and entering the permissions you want them to have. They will be able to log in using their existing password and also see and, depending on permissions, amend your application.
- **Application deletion:** You can delete your application at any time although it is often a lot easier to just re-edit your existing application. We will be able to recover a deleted application for a period of 7 days after deletion. After this it will be permanently removed from the system.
- **Application returned for editing:** The approver can return your application to you for further editing. See 'Submission of Application' below.
- **Guidance:** In the tables below you will find in the left-hand column each question as set out in the application sections and in the right-hand column useful guidance on its completion.
- **Further clarification:** If any of this advice is unclear, or you need further information, please do not hesitate to seek clarification from the British Academy's International Team (contact details below).

**PLEASE NOTE THAT IT IS ESSENTIAL THAT YOU CREATE A PDF OF YOUR COMPLETED APPLICATION (by clicking 'Download as PDF'), AND CHECK IT THOROUGHLY, INCLUDING EMAIL ADDRESSES AND UPLOADED PDF FILES, BEFORE SUBMITTING IT FOR APPROVAL BY YOUR HOST ORGANISATION. IT MAY NOT BE POSSIBLE TO RECTIFY MISTAKES IN TIME FOR THE DEADLINE.**

**WORD LIMITS APPLY TO PLAIN TEXT ONLY. PAGE LIMITS APPLY TO PDFs ONLY.**

**ALL FIELDS MARKED WITH AN ASTERISK\* ARE MANDATORY.**

**YOU SHOULD NOT HAVE MULTIPLE BROWSER WINDOWS/TABS OF YOUR APPLICATION OPEN AT THE SAME TIME AS THIS MAY CAUSE INFORMATION TO BE LOST. ONLY ONE USER SHOULD EDIT AN APPLICATION AT A TIME, OTHERWISE CHANGES MIGHT BE LOST.**

**Completing the application form:** The application can be completed by using the navigation tabs on the application summary page, with each page categorised as follows:

- Page 1: Workshop Proposal
- Page 2: Financial Details
- Page 3: Primary Applicant Details
- Pages 4-9: Co-Applicant Details
- Page 10: Equal Opportunities

A full list of question fields to be completed as part of the application can be found in the following table. Each box in the table represents a page of the application form: the left-hand column contains the questions within each of these pages as set out in the form; the right-hand column contains useful guidance on its completion. A red asterisk (\*) indicates which questions are mandatory and therefore must be complete before the application can be submitted. **Please read the guidance notes carefully before completing the form.**

**PLEASE BE AWARE: it is your responsibility to ensure that you complete your application in time for the UK host organisation to process it and provide their approval by the approval deadline. Once they have checked your application, they will contact you if any changes are required. It is recommended that you allow at least five working days for this process.**

**THE ACADEMY WILL ONLY PROCESS COMPLETE, SUBMITTED AND APPROVED APPLICATIONS.**

## Submission of Application

Once you have submitted your application for approval by your host UK institution, automatic emails will be sent to your host UK organisation approver asking them to log on to the system. You will not be able to edit your application after it has been submitted to your host UK organisation for approval. The host UK organisation approver will either: approve and submit your application, 'send back' your application and contact you to request modifications (if before the **Wednesday 9 November 2022** deadline), or decline your application and contact you.

**Please be aware that it is your responsibility to ensure that you complete your application in time for your UK host institution to process it (including requesting changes) and provide their approval by the closing date. It is recommended that you allow at least five working days for this process, but please check with your proposed UK institution as their internal timetables may require earlier submission.**

If your UK organisation approver requests modifications through the British Academy GMS email facility, they can unlock your application, allowing you to edit it. They can do this by selecting 'Return to Applicant'. An automatic e-mail will be sent to you alerting you of this fact. Once you have completed and saved the requested changes, please re-submit your application for approval by your UK organisation.

Once your UK host institution has approved your application and submitted it to the British Academy, it will not be possible to make any changes.

**Please note that once the closing date has passed, UK organisation approvers cannot approve applications and submit them to the British Academy and unapproved applications are removed from consideration. No late applications will be accepted.**

It is recommended that you check that your application is submitted in time. To see the details of the UK organisation approver and to check the status of your application, you should log into the British Academy GMS and click on the link to the Application Portal where a summary of your application will be displayed.

### **Outcome of Application**

Once your application has been submitted, and if it has been approved, you will not be contacted again by the British Academy until the decisions have been made. You can track the progress of your application by logging in again to the Flexi-Grant system at any time. Results are issued by email.

*Applicants in any doubt about their eligibility or any other aspect of their application under this call are advised to contact the British Academy's International Team:*
