**Exhibit**

Reading Room

All night  
**Jummah aesthetics: British Muslim men and their sartorial choices**  
Dr Fatima Rajina and Rehan Jamil

This digital exhibition features 25 photographs of British Muslim men and their Jummah (Friday prayers) attire - revealing how clothing shapes their identity and self-expression. Taken at Spitalfields and Whitechapel mosques, these photographs aim to challenge perceptions of Muslim men and broaden the conversation about Muslim sartorial choices beyond the usual focus on women.

Lower Ground Floor (LG)

**Panel discussions**
